

PATRICIA PARKETTE

Ashcroft Homes will create, and donate, a public, open green space on the unused lot on Patricia Ave.

For an extended, but defined period of time, it will be for the use and enjoyment of the residents of the retirement complex as well as the public.

Ashcroft will landscape, furnish and maintain this neighborhood parkette.

Ashcroft expects this parkette to be there for years. However, it will be discontinued when, at Ashcroft's sole discretion its operation becomes unfeasible due to redevelopment, the sale of the lot, or the lack of use.
